induced, to accuse himself. It is still to effus have allois of some sort."

Turing, first, the character of the instants. Mr. Whitman laughed at the mention their reputations were good. "he cried. They wouldn't have been inspectors if their reputation not been good. The colour of a bank has a good reputation. Of sourse he has, or eine he will not be president of a bank, but a great city may have good reputation, though it didn't save as from being convicted of bribery. A for police lentenant may achieve the reputation of his good reputation, roll and raid all over a great city, at it didn't prevent him from being mysted of murder.

They we come to the alibi. I am good to may something that will actoniah.

Then Mr. Gilbart bagan a vigorous

the morning, and Capt. Waish ten-id he called on him. No witness been called to tell what he did in t time, and his house is only two its from Waish's. Waish says Swee-

FOR HIS OWN SHOT.

The defense did it for us. They say at Sweeney went that night to his der's. In Forty-seventh street, only colocks from Hussey's.

That, gentlemen, is all the defense to be declaration of good characterists all the I is heard."

The District-Atterney turned then to some case and began a defense of pp, declaring that there was not a spection of evidence to support the legation of counsel for the defense at he was a degenerate.

"But, suppose he was," exclaimed Mr. Mitman. "What of these defendants he may now that they knew this all a time."

Folios Headquarters after Stpp's

"Don't worry. Everything will be all sht." He moved on to March 19. Then Rouse was introduced into the see and how Rouse told Fox, though herward be denied it, that Sweeney and sent him to Fox. The District-Attended the cited March 20, when Sipping miled to Headquarters, and ex-

was moved by a bitter enmity Sweeney? Did he say anything linet Sweeney? He told the truth sut. Fox. but he didn't mention concy's name. And new semething a. Sipp had testified against A anor, went up to the Magsize Home, and got that poor, broken-ten creature to make an affidavit calnot sipp. He had testified against solicomen and, gentlemen, it's a pretty ingerous thing to testify against a

"But they may Developy was not become, of a desire to attack they. Be got the address to being back a figitate from justice. Why, they was printing as address on the they had a man who did not bring had a man who did not being had a past the soft, for the being had.

The reason that affidavit was obseed was that Sipp's mouth must be
seed. If Fox went down Walsh would
be down, and Fox did go down. If
Yelsh went down these defendants
he would go down, and Walsh did
be down. That, gentlemen, was the
secon for that affidavit." MAKES HUSSEY A PARTY TO WALSH'S GUILT.

sho's restaurant, where Newell had it the Inspector Sipp thought Waish is "stalling" and Hussey reptied: if course Waish is stalling."
"Why, gentlement, it was a crime for Waish to give menoy to Sipp on Stwell," said the presenter, but here was a Police Emporter with the lewyer of the other calling over the crime of a brother calling over the crime with the lewyer of the other calling who discussed between them the cammission of asime."

Mr. Gilbert made the first address of he day and was delayed while District-therey Whitman requested Justice

se Gay and was delayed while District-tiorney Whitman requested Justice off, who had taken the beach for a bonest, to postpone indefinitely the atoming of Eugene Fox and former left. Themas W. Waleh, chief wit-less against the inspectors, and Ash-y Shen, confessed graft go-between.

Watch Out For This Gunman, Wanted For Killing Three Men

Here is the description of the man who slew his former friend John Rizzo and Policemen Heaney and Teare:

Occupation, tailor; nationality, Italian-American; age, twentyone; slender build; 5 feet 1% inches tall; weight 125 pounds; thick black hair, out high up back of neck; blue eyes; dark, sallow complexion; smooth shaven; slightly pock-marked. On May 3 he wore a gray striped suit, black derby hat, coat cut square in front, black shoes with bulldog toe, and a horseshoe pin in his tie.

Mr. Stanchfield immediately took the floor, speaking slowly and distinctly as as he aways speaks, gaining his effects rather by his pauses than by raising his voice.

Mr. Stanchfield quickly worked about to the declaration:

"I feel that you gentlemen are entitled to know something about me, about my part in this case. It may be that among you there is some curlosity as to my compensation. If there he will go to London to attend the meeting of the Royal Geographical solution and the meeting of the Royal Geographical solutions to make the question.

ere's food

'The Staff of Life" was a far different bread

from the kind you eat today. It was made of whole wheat, with all its phosphates which help so in replacing brain waste. In making white bread flour nearly all the phosphates are removed.

"FORCE" is whole wheat-a splendid food for brain workers. You can get from "FORCE" that rich allowance of phosphates which nature has stored away in each kernel of wheat. Each flake of "FORCE" is a whole grain of wheat, cooked with barley malt, rolled, baked and toasted. Eat plenty of "FORCE." It builds.
